We appreciate your support as we move forward and to better serve you, we want to outline the dining guidelines that we must follow:

- Dining at both The Lodge and The Summit is by reservation or call ahead seating only:
  - We will manage the number of Guests dining at any particular point to ensure compliance with state mandates.
  - In addition, this will assist in managing the flow of guests and ensure that no one is on a queue, as we are not permitted to have any guests waiting in a common area for tables.

- Hours of Operation currently are:

  **Lodge Dining**
  - **Lunch** - Tuesday through Sunday  11:30am – 3:00pm
  - **Dinner** - Tuesday through Saturday  4:00pm – 8:30pm
  - Closed Mondays

  **Summit Dining** - (Outdoor seating options have been expanded due to limitations of Indoor seating, in order to maintain proper social distancing.)
  - **Lunch** - Thursday through Monday  11:30am – 3:00pm
  - **Dinner** - Thursday through Monday  4:00pm – 8:30pm
  - Closed Tuesdays & Wednesdays

- Walk up Bar Service is not offered at this time, however, all of your favorite beverages may be served at your table.
  - **Happy hour is not permitted at this time**, while following the current social distancing guidelines.
  - Beer and wine are also available with your carryout orders.

- If you are showing any symptoms of Covid-19 or are sick otherwise, please avoid using The Club for the benefit of other guests, as well as staff. Also, please seek medical guidance.

- Effective as of July 7, 2020, all individuals over the age of 9 are required to wear face coverings when in confined, indoor spaces, other than one’s residence or while actively engaged in the consumption of food and/or beverage, and when not able to adequately social distance from other individuals who do not reside in the same household, pursuant to the Governor’s Executive Order 50-20.

- Tables will be set for up to 4 people but may seat up to 8 people upon request where spacing and CDC guidelines allow.

- Appropriate social distancing is required among individuals not residing together.

- We ask that while dining, all parties remain seated and avoid mingling and socializing with other tables during your meal with us. In addition, we kindly ask that children dining with Members will be required to be seated for the entirety of the meal. They will not be permitted to be "running around" or playing away from the table. Children are always to remain with their parents/guardian.
• While we have not seen many of you in a long time, our first inclination may be to offer a handshake or a hug; however, we must follow the guidelines for social distancing and avoid this type of greeting with staff as well as with other members and guests.

• Tables are asked not to linger after their meal is over. Once again, we anticipate a good flow of business and would love to accommodate as much of the membership as possible.

• Please ensure that you and your guests continue to practice proper social distancing in regard to other guests, as well as staff.

• Our staff is here to serve and will be using proper personal protective equipment (PPE) with instructions to be efficient yet minimize close interactions.

• Please avoid changing table configurations, as they have been set according to current guidelines. Staff will be willing to accommodate, if within said guidelines.

• Hand sanitizing stations will be readily available. Please utilize them as needed.

• Please avoid sharing food items.

• Salt, pepper, and sweeteners will be available only upon request.

• To avoid cross utilization of items, Members may be asked for a “verbal” signature or approval of all charges.

• Please practice all CDC recommended guidelines for the prevention of spreading Covid-19.

Please be assured that our staff will continue to follow all CDC recommendations and safety procedures, including constant disinfection of high touch areas and tables and chairs after each seating. We are focused on providing our Members a safe dining experience and we appreciate your patience and understanding that things may take a bit more time than usual in order to keep our service as safe as possible.
